SUMMARY

Caring and motivated **Registered Early Childhood Teacher (ECT) with VIT (Victoria),** experienced in supporting children's social, emotional, and cognitive development. Skilled in delivering play-based and intentional learning, documenting children's learning and development, and supporting daily routines that promote independence and wellbeing. **Qualified with an ACECQA-approved Graduate Diploma of Early Childhood** and **currently completing a Master of Teaching (Early Childhood) within 6 months**. Confident in **working with children aged 0–5 years**, collaborating with educators and families, and maintaining high-quality practice aligned with the **EYLF, VEYLDF, and NQS**.

EXPERIENCE

Early Childhood Educator

Wallaby Childcare – VIC

2025 – *Present*

Responsibilities:

- Provide education and care for children aged 0–5 years across nursery, toddler, and kindergarten rooms.
- Support children's learning and development through play-based and age-appropriate experiences.
- Encourage independence and confidence during routines such as meals, self-care, toileting, and transitions.
- Build positive, trusting, and warm relationships with children, families, and colleagues.
- Help maintain a safe, inclusive, and welcoming environment aligned with the EYLF, VEYLDF, and NQS frameworks.
- Assist room leaders with setting up learning environments, supervision, documentation, and daily reflection.

Achievements:

- Recognised for maintaining calm, positive behaviour guidance during busy transitions.
- Supported smooth routines that strengthened children's confidence and independence.
- Contributed to a welcoming, consistent learning environment valued by educators and families.

Early Childhood Teacher (Professional Placement)

Wallaby Childcare – VIC

Second Placement: 07 Apr 2025 – 13 June 2025 | First Placement: 06 Jan 2025 – 14 Mar 2025 (Total 60 Days placement)

Responsibilities:

- Developed and implemented intentional, inquiry-based learning experiences for children aged 0–5 years.
- Designed and facilitated engaging projects such as:

- ***Life Cycle of a Butterfly Inquiry Project***
- ***STEM Project Experiment like Floating Boat, Chromatography project, etc.***
- ***Bowling Math Game supporting numeracy and problem-solving***

- Conducted individual and group observations, learning stories, and planning cycles linked to EYLF & VEYLDF outcomes.
- Built warm and trusting relationships with children and families through open communication, empathy, and consistency.
- Promoted independence through daily routines such as packing bags, cleaning eating areas, changing nappies, and self-help tasks.
- Supported children's social-emotional, physical, language, and cognitive development through intentional teaching.

Achievements:

- Successfully led multiple STEM projects and participated in an inquiry project (with mentor supervision), that strengthened children's curiosity and problem-solving skills.
- Demonstrated ability to plan age-appropriate experiences based on children's interests and emerging skills.
- Received positive feedback from mentor teachers for professionalism, confidence, and reflective practice.
